Dear fathers,

We are pleased to invite you to join us for our annual Father/Son Weekend scheduled for Friday, August 13, thru Sunday, August 15. It is truly a memorable experience for fathers and sons to share!

The weekend will begin at 12:30pm on Friday with lunch and end after brunch on Sunday morning.

Our key staff members will be on hand to organize Father/Son games and activities. Our waterfront will be in full swing. Our culinary staff will prepare some terrific meals, including a Maine lobster dinner with all the trimmings!

Cost for the weekend is \$250 PER PERSON. In order to make those attending more comfortable, we will limit the numbers in each bunk. Space will be filled on a first-come, first-serve basis. Please make your plans early ensure your reservations.

We don't want any camper to be left out. If you are not able to attend, any adult male substitute is welcome. Also invited are uncles, cousins, younger brothers, friends, etc.

SPECIAL NOTE: Because of changes within the agency, our travel agent, Debby Helbig, is no longer able to help us arrange Father/Son flights. **Please make your own arrangements to get to camp and to coordinate your son's or sons' return home with yours.** If you need any assistance planning your trip, feel free to call Warren on his direct line, 908-359-3298.

Please return the completed enrollment application now. Don't send any money. We will bill you as part of the final billing statement.

All other pertinent information will reach you during the summer. If you have any requests for bunkmates, please indicate at the bottom of the application. (We will ask for this again when we send you further information in July.)

Hope you will be able to join us. Please don't hesitate to call if you have any questions. (Yes, the masseuses will be back!)

In the meantime, Warren joins in wishing you and your family a healthy and happy New Year!

Sincerely,

Jeffrey A. Konigsberg
