

CAMP TAKAJO

Online Community

This year, Camp Takajo is using a new photo and e-mail system. Each parent who has a valid e-mail address on file with the camp will be able to login.

You will click "Parent Login" straight from the Takajo website home page, and type in your individual e-mail address and password. If you do not have a valid e-mail address on file, please call the camp office at **(207) 693-6675**.

- step* **1** Simply visit our website, www.camptakajo.com, and click the Parents tab. Next, click on the "Parent Login" link to enter your login information.
- step* **2** Login using your e-mail address and password included in the e-mail you received from the camp. You may change your password by clicking on Login Details under the "My Account" menu after you login.

Using your account this summer, you will be able to share in the fun and excitement of camp by viewing our online photo gallery where you can purchase prints and high resolution downloads. You can also keep up to speed with camp life by reading the TakTalk newsletter and viewing videos as well as keeping in touch with your campers by sending one-way e-mail messages.

FREQUENTLY ASKED QUESTIONS

Is there a cost for this service?

There is no cost to send e-mail to campers. Simply click on the One-Way E-mail icon, check the box of the camper(s) you would like to e-mail, and click Send.

Can other friends and relatives use these services?

Yes! Once logged into your account, click on the "My Account" menu. From there, you can create **Guest Accounts** for family and friends to e-mail your camper and view photos.

What do I do if I lost my username and password?

You can get it online by clicking on the "I don't know my password, please look it up" link on the login page. You will receive an e-mail message with your password within a few minutes.

Who do I call if I have questions or problems?

If you have trouble logging in, please contact the camp office at **(207) 693-6675**. For all other issues relating to the photo and e-mail system, please click on the Help link and read the troubleshooting documents. If you still need help, click on Help Tickets and create a **Help Ticket** from the Help menu within your online account. Your question will be addressed promptly.
